CAFE & RESTAURANT

Welcome to Restaurant Under Sejlet

We are happy to have you here as our guest, and wish you a great experience in our beautiful environment.

The restaurant's placement at the beach cannot get any better. It does not matter if it's a hot summer day, and the children can play at the beach. Or a clear and frosty winter night where the ocean is as smooth as a millpond. There will always be an amazing view, and something exciting to look at. This combined with great food and cozy hostmanship gives a unique opportunity to create a great experience for your sitting.

Welcome at our restaurant!
