

Welcome to

UNDER SEJLET

We are delighted to welcome you as our guest and it is our hope that you will have a pleasant experience in these beautiful surroundings.

With our location directly on the beach it doesn't get much better than this. It doesn't matter if it's a warm summer day where the kids can play on the beach.

A frosty winter evening when the sea is as smooth as glass.

The view will always be extraordinary, and you will always find something enjoyable to look at. This, combined with exceptional food and friendly service, creates a unique opportunity for a special dining experience or the perfect setting for your next party.

Welcome
